

Could You be a Parish Councillor?

Do you care what happens in your village?

Are you interested in what goes on in your community?

Hurstbourne Priors Parish Council currently have a vacancy and would welcome a resident of Hurstbourne Priors, New Barn Farm or St Mary's Hill who feels that they have something to contribute to the way our community moves forward in terms of planning, day to day life and the general upkeep of our amenities.

The Council meet every two months at 6.30pm in the Village Hall. Some matters are dealt with by email between those scheduled meetings. If you think you can contribute to the work the Parish Council does, then you will find the role to be interesting, rewarding and fulfilling.

If you are interested then please contact the Parish Clerk, Richard Waterman or the Chairman, Mrs Clare Read. Please see contact page for details. All enquiries will be confidential.
